EXPERIENCE

Kumon Math and Reading Center

Weston, FL

Instructor

June 2021 – August 2022

- Instructed students from ages 4-17 and worked with roughly fifteen students a day
- Taught math concepts, ranging from basic counting skills to Calculus I, and necessary reading skills
- Provided feedback to parents on students progress and gave recommendations if additional support was needed

PROJECTS

Personal Website (assient818.github.io) | *HTML, CSS, JavaScript*

- Built a personal website from scratch using HTML, CSS, and JavaScript

Celestria (In Progress) | *Java*

- Creating a 2D Visual Novel style game inspired by DnD and otome games
- Designing all visual elements of the game, including character/background art and the GUI
- Coding behind-the-scenes features such as stat-dependent fights, branching dialogue options that affect player experience, and character relationships

VOLUNTEER WORK

CBHS UNICEF

Weston, FL

Vice President

August 2021 – June 2022

Senator of Community Hours and Internal Relations

August 2019 – August 2021

- Raised and donated over \$20,000 to local charities and UNICEF
- Managed the data of over 900 members
- Organized fundraisers by working with a team of twenty other officers

MEMBERSHIPS

UCF Knight Hacks

August 2022 – Present

- Attend workshops on programming languages, software/applications, and programming concepts
- Participate in hackathons and other programming events
